## SPRING HILL COLLEGE

MOBILE, ALABAMA

PAUL SMALLWOOD TIPTON, S. J.  
PRESIDENT

36508

To Spring Hill College Alumni:

Over the past years, many alumni have expressed interest in locating their friends and classmates with whom they shared the Spring Hill "experience". The Mobile Chapter of the National Alumni Association, together with the Alumni Office, believed that the best way to satisfy these requests was through the publication of an Alumni Directory.

This publication - for and about our alumni - was undertaken so that alumni throughout the United States and the world might once again discover the whereabouts of many old classmates. We hope that this Alumni Directory, the first since 1930, will serve that need!

I am most pleased that Spring Hill College, with the assistance of the Mobile Chapter, is able to provide this Directory for you.

Asking God's blessings on you and yours, I am

Sincerely,

A handwritten signature in dark ink, appearing to read "Paul S. Tipton". The signature is fluid and cursive, with a large loop at the end.

Paul S. Tipton, S.J.  
President

## FOREWORD

This Alumni Directory is based on information contained in the College's computer listings up to November of 1974. This publication represents an honest effort on our part to provide alumni with information on their classmates.

Omission or incorrect information indicates in nearly every case that the person concerned has not kept the College appraised of their change of address.

No publication giving information regarding over 7,500 persons, can pretend to be absolutely correct. However, in printing this Directory, no effort has been spared to make it as accurate or up-to-date as possible.

We would like to thank "Nellie" Sir Key of Sir Key Printing for her efforts in producing this quality publication. Her guidance and assistance provided us with the technical knowledge necessary to print this Directory.

We hope that it will prove to be a source of information and pleasure to all Spring Hill College Alumni.

A handwritten signature in dark ink, appearing to read "Daniel A. Pike". The signature is fluid and cursive, with a horizontal line drawn underneath it.
